Dear Chapter Member,

Let me as well as the entire Prospect Yamaha family welcome you to the Brooklyn, NY Chapter of the Star Touring and Riding Association, **Chapter #265!** We are the only Star Chapter within the 5 borough's of New York City!

Star Touring and Riding prides itself on its members and the family friendly atmosphere that is known throughout each and every Chapter.

By joining this Chapter, you will be sharing a common interest with other members who enjoy being in the wind.

I hope that you find that by joining us that you will forge bonds, form friendships and have a great time along the way. No matter if we are out riding, at a monthly meeting, at a B-B-Q or bowling, you and your families are encouraged to take part in everything that we do. Star is a family organization.

Your voices are always welcome regardless of whether it is positive or negative. If things are going great we love to hear that, and if you feel that something can be done to better the Chapter, we want to hear that too. This is your Chapter and in order for it to grow, it needs your feedback.

Since Prospect Yamaha is our official sponsor, please feel free to let them know your thoughts as well. Feel free to stop in at any time to speak with them regarding anything that you may feel may make the Chapter bigger or better. Remember, no matter how big or small, your comments, suggestions and ideas are always welcome. Prospect is also here for all of your aftermarket parts and all of your service needs too. They are our Sponsor, so please support them!

In closing, remember that we are a small part of 70,000 STAR members worldwide comprising over 350 Chapters and are the fastest growing motorcycle organization in the history of the sport! I am very proud to be a part of that, and I hope that you, by joining our Chapter, will be too!

Ride Safe!

☺ Chrisie
